

OASIS D1 101 TRAINING

COURSE DESCRIPTION: This class is an overview of OASIS D1 in totality. The class will benefit new home health clinicians or those who need to refresh OASIS knowledge. This class will review OASIS D1 history, conventions and guidance to answer OASIS data questions accurately and according to CMS direction. There is no cost for the class.

DATES/LOCATIONS/TIME: Attached below you will find calendar year 2020 training sessions. All classes are scheduled to run 8 a.m. to 4:30 p.m. (unless otherwise noted). More specific training details will be sent to contacts or participants approximately 10-14 days prior to the session.

REGISTRATION REQUIREMENTS: In order to register your staff for this training please send the following information in an email to lori.brown@dia.iowa.gov

- Name of your facility
- Number of participants from your facility attending
- Contact name, phone number, and email address for the person at your facility who can get information to the participants and who can be contacted in case of last minute changes, etc.

*****Please note that if you have not received an email back regarding registration of staff DO NOT assume your staff are registered. If you don't receive an email confirming registration within a week you will need to send a follow up email to Lori Brown to confirm registration.***

CANCELLATION REQUIREMENTS: If you need to cancel the registration for any of your participants please notify lori.brown@dia.iowa.gov immediately so those spots may be opened up to other participants. There is always a high demand for this training and no-shows leave open spots that could have been filled by others wishing to attend.

Questions regarding registration can be directed to Lori Brown. For all other questions regarding the OASIS training, including questions about course content and future scheduling requests, please contact Maribeth Freland, OASIS education coordinator, at 515.669.6236 or maribeth.freland@dia.iowa.gov.
